IRELAND: THE HOME OF THE AVIATION

Ireland is internationally recognised as a centre of excellence for the Aviation industry. It is home to the top four global lessors and a growing community of highly-skilled aviation professionals, due to its enviable legal and regulatory framework, substantive international tax agreements and proven track record in the sector.

Aviation finance transactions can be complex, particularly when they involve cross-border issues. Our experience and industry knowledge can help you address the tax, commercial and financial considerations of aviation finance transactions.

HOW WE CAN HELP

We are an extension of the clients we work with, offering a robust range of services that help their business grow.

We provide:

- Audit assurance
- Non audit compliance requirements
- Accounting support and secretarial
- Tax compliance
- VAT advice
- Advice regarding Accounting standards including US GAAP
- Tax consultancy advice regarding structuring transactions
- Outsourced payroll & accounting function
- Business modelling and structuring

LOCAL EXPERTISE WITH GLOBAL REACH

Few industries fulfil the 'global' tag quite like the Aviation Industry. Business growth is supported by a highly-connected global sector. and with that, local market knowledge is key to business development and operations.

HLB Ireland is a member of the HLB Global network of independent advisory and accounting firms.

Through the power of 27,485 professionals across 153 countries, we combine local expertise with global capabilities to advise Aviation professionals across multiple markets.
