## Tax and business advisory for overseas investors

Our international tax team provides a one-stop shop for overseas investors entering the Irish market.

Our services include advice on appropriate structures to maximise the benefits of Ireland's corporate tax, holding company and intellectual property (IP) regimes, bearing in mind global tax developments.

We work towards minimising your home country taxation while availing of the favourable Irish corporate tax regime. We also advise on executive relocation, to and from Ireland.

## Tax Support

Our experienced Tax advisory team offer a comprehensive suite of support services to our ambitious, growth-focused clients:

- ▼ SARP Relief
- ▼ R&D Credits
- ▼ Executive Relocation Packages
- ▼ Employee Benefits
- ▼ Participation Exemption
- ▼ Transactional
- ▼ Intellectual Property Allowances
- ▼ Due Diligence
- ▼ Support Repatriation of Profits

## An extension of your business

We pride ourselves in offering clients a personalised service to suit their needs. Each client we work with has a dedicated client relationship manager, who works in collaboration with the client to ensure they are fully informed on all of the work we do.

## Local Connections

We understand the benefits of having a readymade network to offer first-class support from the moment you land. Building a contact base that you can rely upon can take years, but we accelerate that process for our clients by linking them to our FDI-focused connections.
